MILES, Paul

I am seeking your vote to become Mayor. As an elected representative of over 15 years in state and local government I have built effective relationships and negotiated with all levels of government. My experience will enable me to provide the necessary leadership to the council.

I constantly meet community members and business owners and will continue to listen to their needs and expectations. One of my passions is to deliver safe liveable suburbs to residents with modern fit-for-purpose community facilities. Wanneroo must also be a place where wide ranging local employment opportunities are created and maintained.

In these uncertain times responsible financial management is vital. I pledge to keep rate increases at or about CPI and to lobby for state and federal grants wherever possible.
