PARKER, Glynis

It would be my privilege to represent you as your mayor. I assure you of my service, accountability, honesty, and transparency. I promise to set aside one day a week to meet with residents, addressing concerns, listening to ideas, and facilitating meetings where required. With 8 years' experience on Council, I understand the importance of working collaboratively. Treating everyone with respect ensures and encourages open communication which is essential. This approach provides vital opportunities for residents, and our city, when advocating for the continuing improvement of Community wellbeing, safety, and inclusivity. Supporting cost of living reductions will be a key priority. Should I become Mayor, I will be in a strong position to achieve your priorities and ensure your voice is heard.
