COUPER, Philip

Politically independent, I'm a local resident seeking your support as Mayor.

I'm acutely aware of issues effecting residents and community groups. I believe in responsible financial management and lower rates. Council must also deliver services the community wants, and Council is ultimately accountable to the people.

Law and order and keeping our community safe is my top priority, especially with increases in anti-social behaviour.

I want to protect the environment, ensure our youth, family and seniors needs are met and sporting and community facilities are provided. I'll be a strong advocate encouraging local investment and local employment, ensuring our communities needs are always considered first.

I will listen to your concerns and seek your trust to represent you on Council.
