DALE, Mike

As a resident of Butler, and your ward representative, my message is simple.

Community First – Self Second.

Community First – Politics Last.

Through active listening and community engagement I will put the community's best interest at the forefront of my role as your elected Councillor.

I am already active in the locality as CEO of a health service and volunteer in community groups.

My life and work experience provides me the skills needed to provide good governance required as a Councillor, that ensures:

- **Community Safety**
- **Support for Local Business**
- **Intergenerational sustainability**
- **Supporting those in need**
- **Good Financial Management of City funds**
- **Value for money of ratepayer funds**
- **Better project scrutiny**

Let me be **your voice** that takes action for the benefit of community and business.
