Nominating for	Councillor for North Ward
Election type	Ordinary
Enrolment status	SHANNON, Andre is eligible to stand for election as a resident of the City of Wanneroo.

Having just moved to Jindalee with my wife and daughter, I'm keen to do my part in making the City of Wanneroo a better place for us all to live and work. I grew up in the northern suburbs and after some time away, I'm pleased to be back.

For the last 17 years, I have worked as a senior executive in the disability sector, as CEO of a local not-for-profit, and now as a State Manager for a national not-for-profit. I believe my leadership and management experience will enable me to effectively represent the interests of the ratepayers and residents of North Ward.

I believe that decisions must be based on clear evidence, must be financially and environmentally sustainable and must be in the best interests of ratepayers and residents. I don't take ideological or political positions before the facts are known. Instead, I get the facts, listen to the views of those affected and then exercise good judgement on each issue, on its merits. This is the only way to ensure accountability and fairness.
