

## Candidate Details

Ballot paper name	<b>NEWTON, Dot</b>
Candidate name	<b>Dorothy May NEWTON</b>
District	<b>City of Wanneroo</b>
Nominating for	<b>Councillor for Central Ward</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>NEWTON, Dot is eligible to stand for election as a resident of the City of Wanneroo.</b>

I am again seeking your vote in our Central Ward; I have missed representing you. I live in the suburb of Wanneroo but of course will represent the other suburbs equally well. I have the time the experience and commitment. Some will expect me to say that there will be no rate increases, however I cannot in all conscience say that. What I will promise is to support careful budgeting and seeking grants keeping any rise to an absolute minimum.

I love our city and chose to live here due to the bushland, lakes and such a beautiful coastline. The environment needs our protection and with careful progress we can ensure it is there for future generations.

My commitment to you is to consult widely on major issues affecting our ward. Unfortunately, not all development applications come to Council.

As a busy JP and a member of several community groups I may have already met you.

Please put a number 1 next to Newton, Dot on the ballot paper leaving the rest blank.

Thank you.
