

Dear Wanneroo Residents,

I am deeply devoted & passionate about the welfare of our City & Community. I will devote my full-time efforts towards serving for the betterment of my Community. I am committed to the needs & aspirations of the Wanneroo constituents, this is my undertaking ahead of any personal, professional career goals. I remain impartial focusing on professional growth.

Sporting & community facilities foster unity & belonging, making their development & enhancement of utmost importance. I excitedly support the Alkimos Aquatic Centre, recognising its potential to unite people & promote a healthy lifestyle.

Recognising libraries' vital role in fostering knowledge, education & community engagement, I wholeheartedly endorse the Landsdale Library.

Well-planned practices are crucial for the urbanisation of East Wanneroo, ensuring sustainable development, efficient infrastructure, & improved quality of life.

Fostering workable relationships with both sides of Parliament will ensure the City is a leader for grant applications, which will help reduce the cost to ratepayers.

Safeguarding our heritage is a unique asset that deserves protection. I am committed to preserving heritage sites, traditions, & stories, ensuring future generations learn from our past.

I strongly believe in promoting community well-being & fostering a sense of unity among our residents.

Protecting our environment & biodiversity is crucial. I am dedicated to implementing strategies to reduce our carbon footprint, promote sustainability & collaborate to build a greener, healthier future.

Promoting local businesses is crucial for economic growth. Supporting them by facilitating resource access & creating a favourable business environment can drive employment prospects & overall economic development.

I am fully committed to serving You, the Residents of Wanneroo, & ensuring that our City continues to flourish. I request Your support to vote for me as Mayor, Let's build a brighter future for all!
