Enrolment status

O'BRIEN, Stephen is eligible to stand for election as a resident of the City of Wanneroo.

I am a dedicated family man and long-time local resident with 18 years of working and volunteering experience in our community. With 21 years of service in local government, I bring a deep understanding of policy and procedures to make informed decisions and support local growth whilst advocating for sustainable environmental management and well managed public open space. I have built strong connections within local committees, currently serving on the school board, parish council, and local football committee while coaching my son's team.

These roles have helped me grow personally, foster trust, and influence positive outcomes. My commitment is to inclusivity, ensuring everyone's voice is heard and embraced in our community across recreational, social, and business aspects. I pledge accountability, transparency, sound financial management and effective oversight of council business while remaining community focussed.
