Community and my ***family*** are the center of my life. I have served as your Councillor for the past 8 years, delivering sporting facilities at **Halesworth Park Butler**, new clubrooms, and a community center at **Dalvik Park Merriwa**, an upgraded **Clarkson Youth Centre**, and the much anticipated **Alkimos Aquatic Centre**.

There is still so much more that needs to be done:

Increase community safety, by expanding the cities CCTV capabilities.

Creating local jobs and a strong **local economy**, remains a priority of mine. Going forward, this is the only way to keep rates increases to a minimum.

Environmental sustainability, through the retention, replenishment, and increasing the Urban Forest, throughout the city is vital.

Address mental health, family violence issues, and homelessness by supporting local groups, involved in our community.

I have the knowledge, experience and leadership needed, to ensure **our** city continues to flourish.

It will be my honour and privilege to represent you.
