Nominating for	Mayor for City of Wanneroo
Election type	Ordinary
Enrolment status	BERRY, Helen is eligible to stand for election as a resident of the City of Wanneroo.

Thank you for reading my nomination to represent YOU as Mayor. As a current councillor, qualified accountant, AICD graduate, past CEO of organisations covering Age/Disability care, FDV & having volunteered with local groups I'm qualified & community driven.

My husband died in January, I took some time off & thank many who reached out. I'm now ready to commit to being your full time listening mayor with passion, drive, dedication & the ability to represent you fairly. I value transparency, honesty & integrity.

With a growing city comes competing demands to provide new infrastructure, maintain current assets whilst looking after a balanced budget. Being politically neutral I will work with State & Federal members to secure funding to achieve great results.

I support local employment, community safety, inclusive facilities & value for money. I did not support rate rises recognising cost of living pressures. I'm environmentally friendly, approachable & respectful.

I'd really value your vote.
