

Your Vote, Your Choice, Your Opportunity to Shape our City's Future.
Re Elect Jacqui Huntley for Central Ward

I'm thrilled to share my vision for our city's future. As we embark on a path of expansion, with our community projected to grow to 600,000 in the next 50 years. We face both **opportunities & challenges**. Over the past four years as a Councillor, I've gained invaluable insights into your concerns & aspirations fuelling my dedication to your needs & wellbeing.

With a career of over 36 years as a Nurse & Midwife, I've cultivated **values of compassion & responsibility**. My background as an ex-Senior Driving Instructor emphasises the **importance of safety & diligence**, qualities that will guide us as we **pioneer the development of a vibrant, cutting-edge city where everyone aspires to reside in a city that nurtures all**.

Over the next four years, we must **plan with the "End in Mind" establishing a foundation** that masterfully balances the preservation of our environment & native habitats with the creation of a dynamic, enviable city. **Sustainable development & green initiatives will be at the forefront, fostering a flourishing city for generations**.

In our journey to create a forward-thinking community, let's not forget the **profound impact on our health**. A city that encourages **active, sustainable living, close-knit neighbourhoods, & green spaces, contributes to the wellbeing of its residents**. **Mental health will be a priority in our vision**.

Transparent, accountable governance is my pledge. Good governance means that your voice in our community is heard, the **balance between growth & environmental preservation is maintained**. I am committed to a **cohesive Council that collaborates for the greater good**.

Join me on this **transformative path to a brighter future**. Together, we'll shape a city where **unity, informed decisions, balanced governance & well-being lead the way**.

Let's pioneer the city's future **that sets new standards, embracing the environment & caring for its residents**.
