I grew up in the City of Wanneroo and live in Carabooda with my husband and our two school aged girls. I run my own small business and also assist my husband with his trade-based business.

I am running for North Ward as I am passionate about supporting our local community to grow sustainably for our future, whilst using our resources strategically and wisely.

As members of Wanneroo Business Association and Y-hub, a past parent representative on the Merriwa Primary School Board and previously running a food relief program, I have had a wide variety of 'on the ground' community relationships in our local area.

I look forward to bringing my community, small business and family focus with the values of kindness, respect and authenticity to represent the North Ward. I bring an everyday voice and will be an asset to the City of Wanneroo with my strategic and independent thinking, great communication skills, and ability to work in a team whilst respecting others' beliefs and opinions.
