I have been a resident of our city for 15 years and am a father of four. A former Police Detective in both WA & the UK, I have invaluable experience in public service and governance, and believe integrity is non-negotiable.

I am a member of the Mindarie Primary School Board and P&C. I have volunteered for various community groups and have provided respite care for children with additional needs, and been President/Coach of a local sports club.

I will advocate for better financial accountability, eliminate waste to avoid unnecessary increases in rates bills, commitment to securing better parks and outdoor leisure spaces for families and pet owners, support local jobs/small businesses by making our city a more appealing destination for day visitors, and prioritise safety initiatives on local roads and around schools.

I firmly believe that you deserve better representation from more accessible and communicative Councillors. I am committed to making local decisions, by locals, for locals.
