

You are in a PSHB Quarantine Area

Polyphagous Shot-Hole Borer (PSHB) Quarantine Area requirements

Before leaving the Quarantine Area (QA):

Wood must be chipped to pieces that are less than 2.5 cm in size.

Living plants with woody stems greater than 2 cm must not leave the QA.

Machinery used to handle green waste must be cleaned of wood.

All wood and living plants must be securely transported in a fully sealed or covered skip bin, trailer, or truck.

A permit **is required** if these conditions are unable to be met.

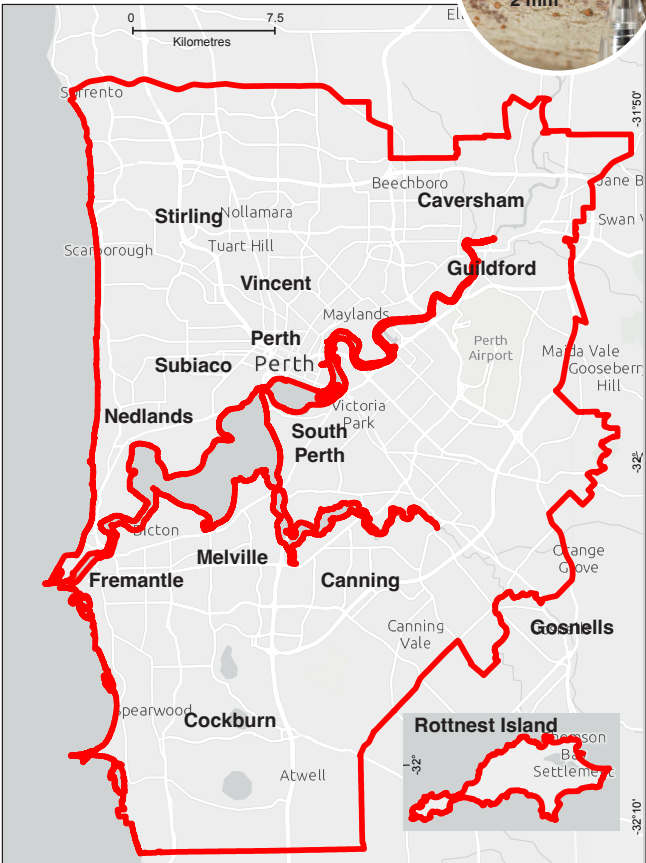

For more information or to apply for a permit email pshb@dpird.wa.gov.au or visit agric.wa.gov.au/borer
