

# Mariginiup Bushfire Recovery

## Clean-up program information

1

A consultant is employed to develop the Clean-up Program, eligible landowners are identified.

2

Eligible landowners are contacted and invited to register for the Clean-up Program.

3

Once registered, landowners and tenants are supported to complete an Authority to Act Form.

4

Landowners/tenants meet with City and consultant to assess clean-up works for their property.

5

A suitable contractor is appointed to carry out clean-up works.

6

City and contractor meet landowners and tenants to confirm the clean-up plan.

7

The contractor undertakes the clean-up.

8

The cleaned area is environmentally tested if necessary, and completion of works agreed with landowner.
