

SITE CONSTRUCTION PLAN

DORDAAK KEPUP LIBRARY AND YOUTH INNOVATION HUB, LANDSDALE

Whilst every effort will be made to minimise any inconvenience to residents and others who are using the area, the following should be noted:

- Due to safety requirements during the construction works; pedestrian paths that currently cross the site from Broadview Park, the road and car parking located on the site within the work site boundary, will be temporarily closed to the public.
- Access to the Landsdale Forum Shopping Centre, childcare centre, medical centre, associated car parking and Broadview Park is possible using roads and paths around the site as indicated on the plan below.
- Signage will be in place to assist with traffic control and directing the public around the worksite for the duration of works.
