Leaf your legacy - winter planting events

You're invited to plant for a greener future as part of our annual winter planting program this June and July. Our tree planting program encourages everyone in our

community to help care for local bushland, with the goal of increasing urban canopy coverage to create a greener, more sustainable City.

This year, the winter tree planting program includes a series of family-friendly events, where we'll be planting shrubs and trees to rejuvenate bushland and coastal dunes.

Quinns Rocks Foreshore

Sunday 8 June, 8.30am-11am
In conjunction with Perth NRM and the Quinns Rocks Environmental Group

Koondoola Bushland

Thursday 12 June, 9.30am-11am

Mayor's Message

Linda Aitken JP

This month, our focus is on how we can all work towards a greener and more sustainable City.

From our sustainable fashion fiesta workshops to our winter tree planting program, there are plenty of ways for everyone in our community to get involved and make a difference.

Most events are free, so join in to help the environment, your wardrobe and your wallet!

Together, we're growing a greener Wanneroo, one initiative at a time and we can all be part of the change.

Have you visited the Wanneroo Regional Gallery recently?

Come by to check out the Community Art Awards Exhibition, on now until Saturday 26 July.

Discover incredible artworks by talented local artists and cast your vote for the 'People's Choice' award.

Entry is free. Find out more at wanneroo.wa.gov.au/artawards

Applications are open for the 2025 Curtin Ignition Program, and the City of Wanneroo is sponsoring two fully funded scholarships for local entrepreneurs, valued at \$3,750 per person!

This intensive week-long program features keynote speakers, hands-on workshops, expert mentoring and powerful networking - everything you need to transform your idea into a thriving business.

Apply online at curtin.edu/ignition by 6 June 2025.
