| Nominating for | Councillor for South-West Ward |
| Election type | Ordinary |
| Enrolment status | Natalie Herridge is eligible to stand for election as a resident of the City of Wanneroo. |

As a current ward councillor & local of 20 years, the past term has been a privilege to provide guidance, leadership & advocacy on your behalf. I seek your support this election to continue for another 4 years.

Together we have achieved so much. From little things in park benches, bbq's & footpaths. To new big things of basketball pads, Dordaak Kepup & oval space construction bought ahead of time. The upgrades to Kingsway Regional Football/Cricket change rooms & toilets is one of our greatest to date.

We've supported local small business, charity & community groups, sports clubs, wildlife & our volunteering local hero's in providing a platform to acknowledge and put funds to their efforts. Our local school & P&C communities know they have my heart and my forever support.

On re-election I'll continue my promise of difference from 2021. To advocate for our ward while communicating why things are the way they are. To hold close my values of integrity, honesty & passion for our community.
