Candidate name	Anna WEATHERILL
District	City of Wanneroo
Nominating for	Councillor for Central-East Ward
Election type	Ordinary
Enrolment status	WEATHERILL, Anna is eligible to stand for election as a resident of the City of Wanneroo.

I have lived in Tapping for 18 years, raising my family, working locally and staying active in our community. I am a member of Wanneroo Tree Canopy Advocates and City of Wanneroo representative on the Liveability Advisory Group, Online Engagement Network and Mariginiup Bushfire Panel, giving me direct council decision-making experience. I have been secretary of the Carramar and Tapping Residents Association for many years, Cancer Council volunteer, Girl Guides leader, sports manager and committed school volunteer. My priorities are safer streets, support for growers and agriculture, and stronger services for families and schools. I am independent, not politically aligned and will always vote with my moral compass, not party agendas. I have attended many council meetings, spoken on behalf of residents, challenged poor spending and pushed elected members to put residents first. I know the issues, I know the process and I will not back down.
