Hi, I'm a local resident and teacher now working in public service. I've been proud to serve as your dedicated local councillor for the past three years, and I'm seeking re-election to keep working with and for you - being the squeaky wheel when needed to get things done.

I've helped expand AEDs and anti-choking devices in city facilities and the number of rangers, CCTV and community murals. I also initiated cost-effective planning for better value for ratepayers, a review of the city's graffiti strategy, and a safety inspection of all pathways in Butler. I successfully advocated for mobile CCTV in Nowergup, and for club and community needs at Halesworth and Addison Park.

With experience of how our City works, I'm ready to be an even more effective representative in a second term focusing on fairer rates, a school crossing for Merriwa PS, graffiti prevention, and more trees, verge maintenance, police services, sports facilities, and public art.

I'd be honoured to have your support.
