| District | City of Wanneroo |
| Nominating for | Councillor for Central Ward |
| Election type | Ordinary |
| Enrolment status | WRIGHT, Jordan is eligible to stand for election as a resident of the City of Wanneroo. |

It has been an honour to serve as your local voice on the City of Wanneroo Council for the past four years. I'm proud of what we have achieved together, from securing funds for the East Road/Wanneroo Road intersection upgrade to delivering new toilets at Hinckley Park and progressing the Wanneroo Recreation Centre upgrade.

As a local Hocking resident, I remain committed to putting our community first. My five-point plan, developed from your feedback, focuses on what matters most: keeping rates low to ensure affordable living; making our streets safer by upgrading CCTV and tackling hooning; investing in our parks, roads, and community facilities; promoting sustainability; and unlocking the potential of our young people and seniors.

I have a proven track record of listening, leading, and delivering for the Central Ward. I am asking for your vote to continue being your active, local, independent, and transparent voice on Council. Let's keep building a better community, together.
