I am a passionate community leader, Mum of four, small business advocate, and long-time volunteer dedicated to serving families and communities. My parents bought our home in Merriwa over 30 years ago, and I've proudly watched our suburbs grow. With 15+ years self-employment and running my Pty Ltd since 2011, I bring strong experience in education, childcare, and business development. I have managed childcare services, supported small businesses, and mentored entrepreneurs. My volunteer service includes five years on a Primary School Board, three years on the P&C, and contributing to a Department of Education DES review. I was a Mrs Australia International finalist, using the platform to raise awareness of domestic violence and share the message that everyone deserves the chance to overcome challenges and let their inner sparkle shine. As Councillor, I will prioritise open communication, responsible decisions, and initiatives that support families, businesses, and community safety.
