Stop Rate Increases. Bring Back Bulk Waste Collection

This is what I stand for.

- No more rate hikes that hurt families.***
- Bringing back bulk waste collection to keep our streets clean.***

I'm not a politician, I'm a local who wants to make a difference.

Hi, I'm Tam. I've lived in Marangaroo most of my life, and I love this community where I grew up, started my family, built my career, and found my purpose. I'm a husband and father of two, and I want my kids to grow up in a safe, vibrant, and connected neighbourhood.

I've worn a few hats over the years: chef, small business owner, chaplain, educator. I've represented Australia at the Culinary Olympics four times, run a catering business, a food truck, and a café. I've supported students as a chaplain at GirrawheenSHS, and now I work at our local TAFE helping young people find their path.

I care about education, small businesses, and community groups.

I'm running because I want to make sure South Ward continues to be a great place to live.
