

Additional Information

Since moving from the UK, I have always lived locally & Im proud to represent the community I live amongst. I am politically neutral & live in the Central West Ward.

We have an amazing ward with the Mindarie Marina, Quinns Beach, Clarkson Town Centre & Ocean Keys Shopping Centre.

Having held previous CEO positions within community organisations I believe my experience with my qualifications & the ability to work with all stakeholders demonstrates I have the skills & attributes necessary to represent you professionally.

I am a qualified accountant, graduate of the Australian Institute of Company Directors, & Institute of Community Directors. I have several Diplomas & Im currently studying a Diploma in Local Government. I believe in continuous improvement for myself & I apply that to any positions I hold including council. There is always room for improvement.

Council members get ONE vote when making decisions, so I promise to continue to advocate for what matters to you.

I know residents want the closure of the Tamala Park Tip, so I promise if re-elected to work with others to get this closed in my next term.

I will continue to work on getting a pedestrian crossing at Anchorage Drive, promoting community safety with increased CCTV & rangers, improving the tree canopy, providing more for seniors & our youth, upgrading community facilities & supporting our local clubs & businesses.

Climate change brings challenges with localised flooding that needs improved solutions as well as maintaining coastal management to protect Quinns Beach.

Over the last 4 years I have sat on several groups & committees at the city to better represent you. Some of these have included the Audit & Risk Committee, Catalina Regional Council, Community Safety Working Group & Quinns Beach Coastal Management Advisory Group to name but a few.

I would love your support to continue building a great inclusive community together.
