Please encourage adjoining property owners to complete this form and sign the development plans if your proposed residential addition includes a variation to the Residential Design Codes (such as a reduced boundary setback or extended length etc.) When determining the Development Application the City will take into account the comments of adjoining owners. The City is not obliged to support the views of adjoining owners.

If you would like advice on what is considered to be a variation to the Residential Design Codes, please do not hesitate to contact the City's Planning Services team on 9405 5000.
