My Buckingham House Excursion

On _____ we will be going to Buckingham House.

We will get on a bus, which will take us to Buckingham House.
Some of the kids in the class might be loud as they will be excited.

The toilets are behind Buckingham House.
If you need to go to the toilet during the excursion let an adult know.

The Buckingham House worker will meet us at the front gate.
They will show us a mat to sit on.

We will meet some volunteers.
Volunteers are adults who will help us with the activities.

We will look at some objects in a suitcase that will help tell the story about who lived at Buckingham House.

Some students will be picked to come to the front of the class and hold an object.
If you do not want to be picked that is okay.

The Buckingham House worker will tell us some rules that we need to follow to keep safe.

During the activities there are some things I must not touch but there are some things I can touch.
I will ask the Buckingham House worker, a volunteer or _____ if I am not sure.

We listen when the Buckingham House worker and adult helpers are talking.
We put our hand up to ask a question.

I will stay with _____ to make sure I am safe.

We are going to follow an olden day rule.
Girls will get to have a turn of the activities before the boys.
